

## **Surface Transportation Funding Task Force**

The following are the statutory duties of the Task Force:

1. Review the existing, previously prepared reports and analyses regarding transportation needs and revenue sources in this state.
2. Recommend specific revenue proposals for dedicated funding sources for principal interstate highways to meet projected interstate freight capacity needs for 20 years.
3. Recommend specific revenue proposals for dedicated incremental funding sources for the HURF to meet the statewide needs of the state highway system and the roadway needs for other HURF recipients based on the current HURF revenue distribution formulas.
4. Recommend specific revenue proposals for dedicated funding sources for all of DPS' highway patrol costs, other than the HURF.
5. Recommend specific revenue proposals for dedicated funding options for regional state highway system and highway capacity needs for twenty years.
6. Recommend specific revenue proposals for dedicated funding options for local city, town and county roads and streets.
7. Work with Az. Dept. of Administration to conduct a statewide study to identify vacant or underused buildings that are owned by this state and that could be sold by this state to provide funding for transportation projects.
8. Prioritize the recommendations if the task force recommends more than one proposal for any purpose described above.
