Future Projects

Gap Project Status Update:

- ▶ The Gap Project has been divided into two projects:
 - Project A (Wickenburg Ranch to SR 89)
 - Project B (Tegner to Wickenburg Ranch)
- ▶ Project A is 100% developer funded and is planned to begin construction in Spring of 2019.
- ▶ Project B is mostly funded by ADOT. The developer will contribute the difference between \$9.8 million and the cost of Project A. Construction is planned to begin after July of 2019.

Project A

Project B

Gap Project Status Update Cont.:

- ▶ Project A: Developer expects to submit 30% plans by the end of the year.
- ▶ Project B: ADOT is ready to submit 30%.
- ▶ The joint project agreement is nearly complete. There have been some revisions due to creating two projects that required additional time.

Thank You
