2026 Safety Message Contest winners

The 2026 Safety Message Contest drew more than **1,700 entries** and **3,900 votes**

Winners were invited to ADOT's Traffic Operations Center to input their messages in the Dynamic Message Sign system.

ECD earns accreditation

To earn the recognition, ECD was measured on **174 standards** over two years.

The process examined **policies, procedures, training and daily operations.**

The Arizona Law Enforcement Accreditation Program provides independent validation that law enforcement agencies operate at the highest level of policing standards.

Crash Facts 2025

- **1,156 traffic fatalities** on all Arizona roads in 2025 — a **5.2% decrease** from 2024.
- Total crashes dropped from **123,535** (2024) to **118,052** (2025) — a **4.4% decrease**.

2025

Speeding — **367 fatalities**

Alcohol — **334 fatalities**

No safety device — **320 fatalities**

Safety Stand Down

Safety Stand Down is a time to pause for safety — whether that's training, team discussions or even updating important information.

Winter Readiness Workshop

Major emphasis is placed on **safety, plowing techniques** and **preventing equipment failures**.

Broader understanding of winter operations is also a focus.

Workshop gives teams a chance learn about new technology, equipment and best practices.

Thank you!
