Tribal Transportation Updates

FY25 Inter Tribal Council of Arizona (ITCA) Tribal Liaison Technical Assistance Support & Transportation Working Group (TWG) Project

This project enables ADOT-MPD to obtain ITCA technical assistance on tribal issues and conduct 2-3 TWG meetings.

- August 2nd - Project notice to proceed issued.
- August 22nd - Project start up meeting to initiate next steps on work plan activities including planning the first TWG meeting.
- TWG meetings will provide a forum for state and federal information sharing with Tribal representatives and to obtain Tribal feedback.
