Tribal Transportation Updates

October 16, 2026

Justin Feek

Multimodal Planning Division Director

The ADOT Annual Report was submitted to the Governor's Office on Tribal Relations (GOTR) on Oct. 1 to highlight ADOT's activities and goals with tribal nations.

Highlights include:

- Creation of an internal Tribal Relations Team (TRT) webpage
- Progress on the ADOT Tribal Consultation Policy
- Progress on the ADOT Tribal Training Course Update

Next year's goals:

- Complete Effective Tribal Engagement Training Course for ADOT Personnel
- Implement ADOT Tribal Crash Reporting Initiative
- Complete revisions to the ADOT Tribal Consultation Policy

Outreach Activities

- **Industry Collaboration:** Partnered with the Hualapai Tribe and SRPMIC at the 2026 ACEC Conference on Roads & Streets in Tucson on Sept. 24-25 to lead dedicated Native Nations tracks on collaborative infrastructure development.
- **Policy Implementation & Rollout** - Finalized and rolled out the ADOT Tribal Consultation Policy Update at the Oct. 14 Annual Tribal Transportation Meeting in Flagstaff, which also featured comprehensive ADOT District and Transit updates.

Upcoming Outreach Activities

- **National Tribal Transportation in Indian Country Conference (NTICC):**
ADOT is serving as a Gold Sponsor on Nov. 15 -19 at Wild Horse Pass (GRIC) to lead breakout sessions, deliver technical training, and engage with over 1,000 participants across 575 tribal nations.
