

# ARIZONA STATE TRANSPORTATION BOARD

## MULTIMODAL PLANNING DIVISION REPORT

September 18, 2020

Multimodal Planning Division Director:

Greg Byres, P.E.

# Current Planning Activities

- Coordination with COG's and MPO's on Planning
- Transportation Asset Management Plan
- Progress with P2P for 2022-2026 Program

# Coordination with COG's & MPO's

- Planning funds for transportation including transit
- Funding necessary for required planning documents
- Metropolitan Planning Funds (PL Funds), State Planning and Research Funds (SPR Funds) and FTA Planning Funds.

# Transportation Asset Management Plan

- ADOT's Transportation Asset Management Plan (TAMP) is being updated to include analysis from our Pavement and Bridge Management Systems.
- Production of the current plan update has been delayed to include the latest changes being implemented due to the current pandemic and its ramifications.
- The approved 2021-2025 Five Year Program will be utilized as the basis of funding availability and management presented in the TAMP.

# P2P Progress for 2022-2026 Program

- District workshops have been scheduled for each of the Districts.
- Project technical evaluations have been completed for Bridge and Pavement additional evaluations are currently being conducted prior to the District workshops.
