MULTIMODAL PLANNING DIVISION REPORT

December 18, 2020

Multimodal Planning Division Director:
Greg Byres, P.E.

Current Planning Activities

- Preparation of 2022-2026 Five Year Program

Preparation of 2022-2026 Five Year Program

- Planning Level Scoping for the top rated P2P projects are currently underway. This process allows for a refined scope and realistic unit cost estimate for each project, prior to being included into the program.
- Projects currently in the program are being reviewed for delivery and costs, if any changes are necessary, they will be adjusted in the program.
