

ARIZONA STATE TRANSPORTATION BOARD

Multimodal Planning Division Report November 15, 2019

**Clemenc Ligocki
ADOT Planning and Programming Manager**

TODAY'S TOPIC

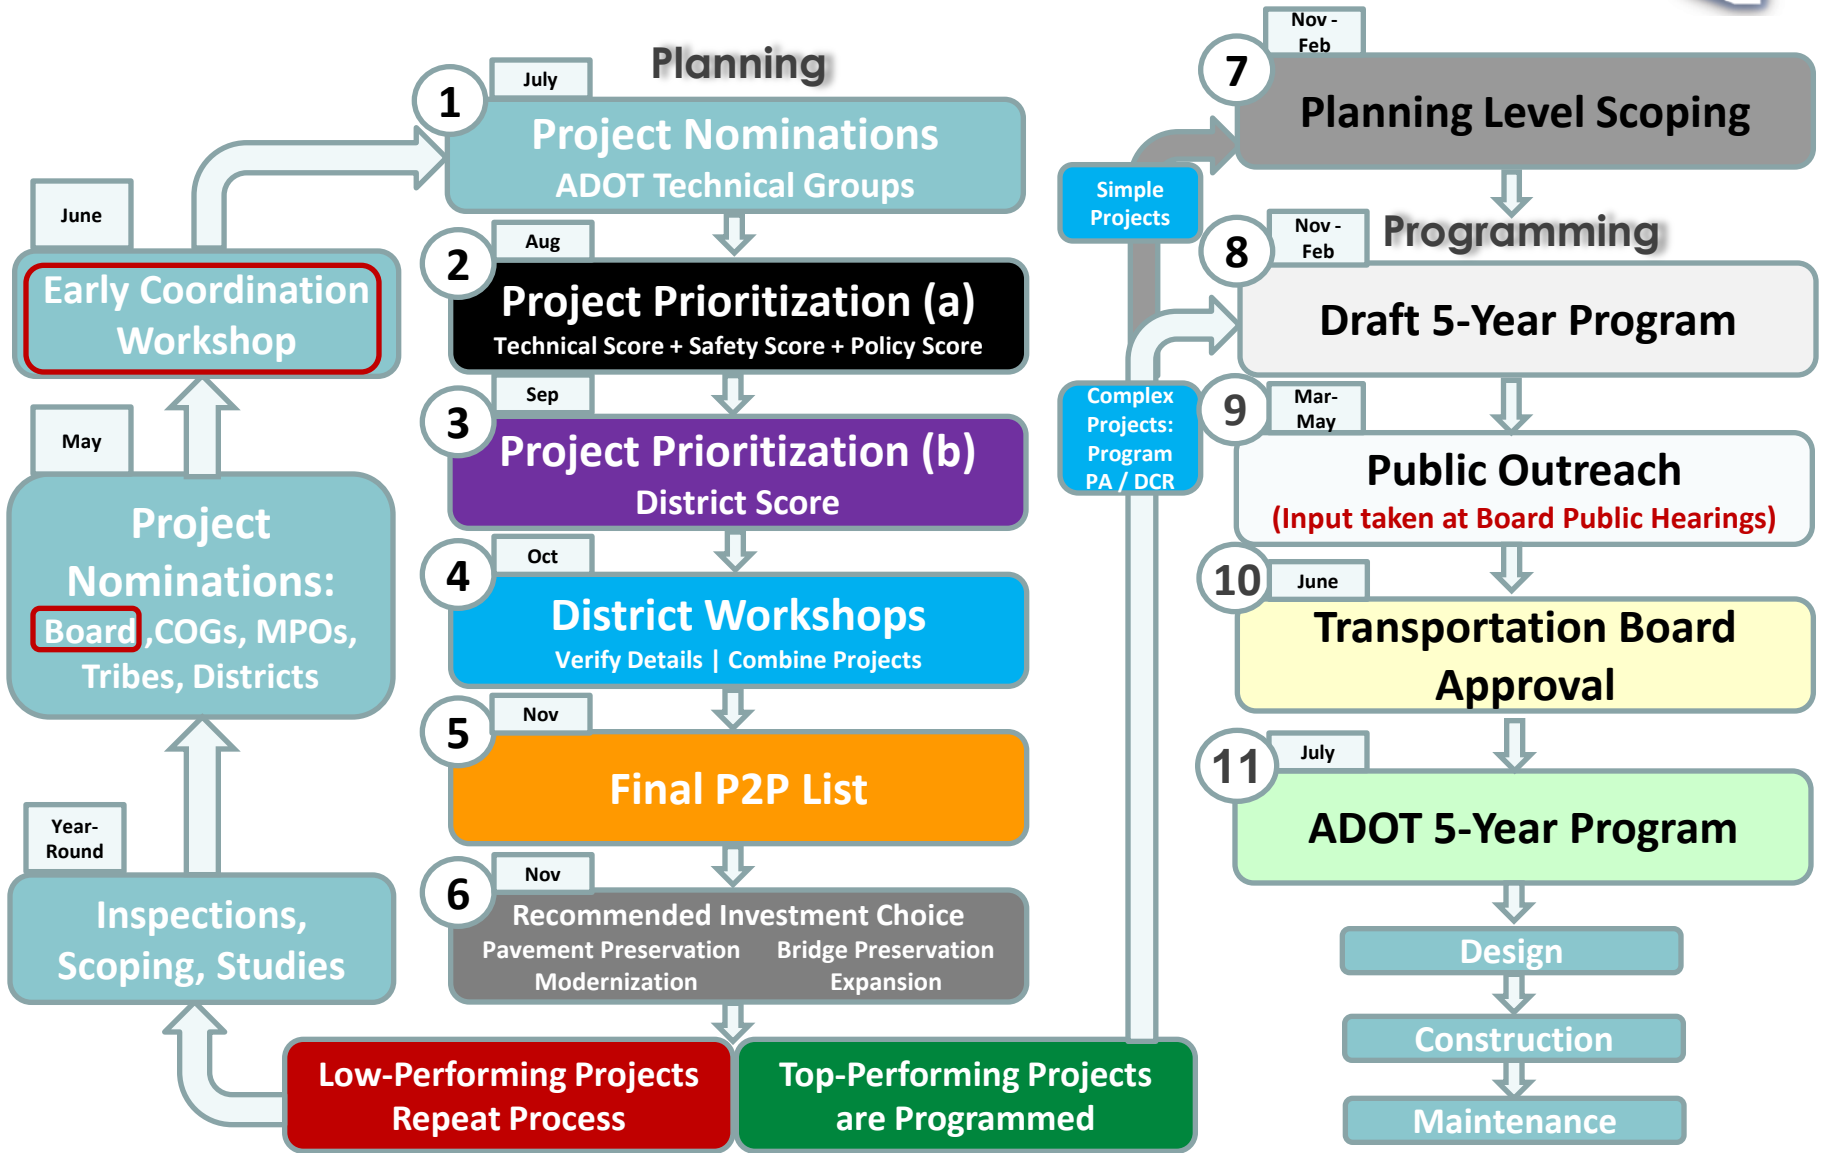

- Update on Planning to Programming (P2P) Process

(Note: Presentation on Tier One Studies planned for December Board Meeting)

STATUS OF P2P FOR 2021-2025 FIVE-YEAR PROGRAM DEVELOPMENT

- **Completed District Workshops in October**
 - **Thank you!** ADOT staff, MPOs, COGs, Board Members
 - Reviewed and verified project details and preliminary scoring
 - Considered combining projects where prudent/feasible
 - Received recommendations for process improvement
- **Improvements Recommended by Board Members**
 - Continue to invite Board Members to District Workshops
 - Provide early invitation to Board Members to recommend projects
 - Add early coordination workshop at time of project nominations
 - Clarify public input opportunities

ADOT P2P Process Flowchart

STATUS OF P2P FOR 2021-2025 FIVE-YEAR PROGRAM DEVELOPMENT

- **Moving Forward**

- **Currently:** Working to finalize List of Scored Preservation, Modernization and Expansion Projects
 - When completed, recommended Projects will be reviewed by Management and then submitted to Programming Section to start on Tentative Program
 - Preservation List will go to Corridor Planning Group for Planning Level Scoping
- **January:** Draft Tentative Program for Board Study Session
- **February:** Scoping Results provided to Programming Section
- **June:** Final Program presented to Board for Action

- **Questions / Discussion**
