

ARIZONA STATE TRANSPORTATION BOARD

MULTIMODAL PLANNING DIVISION REPORT

June 18, 2021

Multimodal Planning Division Director:
Greg Byres, P.E.

Current Planning Activities

- Tribal Transportation Update
- Upcoming Studies from MPD

Tribal Transportation Update

- The Navajo Nation and Hopi Tribe will begin convening Partnering meetings. Since early 2020 these meetings have been on hold due to tribal government closures and travel restrictions due the pandemic.
- There is a planned release of final Tier I Environmental Impact Studies for I-11, North-South Corridor and Sonoran Corridor to occur over the next several months. Tribal outreach is currently underway to inform the tribes in Arizona on the status of the upcoming releases.

Upcoming Studies

- Freight Plan Update - A freight plan update is currently getting going. The last freight plan was completed in
- The Long Range Transportation Plan is currently going through consultant procurement. The last plan was completed in 2017.
- The 2023-2027 P2P process is currently progressing through the technical group reviews.
