

ARIZONA STATE TRANSPORTATION BOARD

MULTIMODAL PLANNING DIVISION REPORT

September 17, 2021

Multimodal Planning Division Director:
Greg Byres, P.E.

Current Planning Activities

- Tribal Transportation Update
- Studies Update

Tribal Transportation Update

National Highway Traffic Safety Administration – 2021 Four Corners Event

ADOT Tribal Liaisons, ADOT Traffic Safety Section Manager, AZ Governor's Office of Highway Safety and NHTSA Region 9 Deputy Regional Administrator met in July and August. ADOT will continue to assist NHTSA in future activities.

Tohono O'odham Nation - BIA Route 15 Road Safety Assessment: ADOT, FHWA and Pima Association of Governments were invited to participate in this RSA held on September 14th. ADOT participation considers that BIA 15 intersects with SR 86 and that interagency traffic safety coordination is in line with the Arizona Strategic Traffic Safety Plan.

MPD Studies

Tier I EIS Studies

I-11 Tier I FEIS and ROD - The final review period was completed on August 16th, in which the study team received both governmental and citizen driven comments. The record of decision is currently being prepared and is scheduled for completion by the end of the year.

North-South Corridor - The final EIS and Rod were published for review on August 20th.

MPD Studies

Freight Study Update

The Freight Study Update is currently underway and will provide an update and additional information on statewide freight efforts.

Long Range Transportation Plan

Long Range Transportation Plan is currently gathering data for procurement of a consultant.
