

State Match Advantage for Rural Transportation (AZ SMART) Fund Program

Iqbal Hossain
ADOT Multimodal Planning Division

AZ SMART Eligibilities

Eligible Uses include:

- Reimburse up to 50% of grant development and submission costs of a federal grant application. Limited to:
 - Counties with population of less than 100,000 and
 - Cities/towns with population of less than 10,000
- Match for a federal grant
- Reimbursement for design and other engineering services that meet federal standards for projects eligible for a federal grant

Eligible applicants are ADOT, all cities/towns and counties outside of Maricopa and Pima Counties, and Gila Bend in Maricopa County

Federal Grants associated with Funding Requests

Grant Program	Brief Description/ Program Goals	Eligible Applicants	Eligible Projects
<p>Safe Streets and Roads for All Program (SS4A)</p>	<p>To support planning, infrastructure, behavioral, and operational initiatives to prevent death and serious injury on roads and streets involving all roadway users, including pedestrians; bicyclists; public transportation, personal conveyance, and micromobility users; motorists; and commercial vehicle operators.</p>	<p>City or township governments, Native American tribal governments (Federally recognized), County governments, Special district governments.</p>	<p>Action Plan Grants are used to develop, complete, or supplement a comprehensive safety action plan. Implementation Grants are available to implement strategies or projects that are consistent with an existing Action Plan.</p>
<p>Advanced Digital Construction Management Systems (ADCMS)</p>	<p>Accelerated State adoption of advanced digital construction management systems applied throughout the construction lifecycle that maximize interoperability with other systems, products, tools, or applications; boost productivity; manage complexity; reduce project delays and cost overruns; and enhance safety and quality. More timely and productive information - sharing among stakeholders through reduced reliance on paper to manage construction processes and deliverables such as blueprints, design drawings, procurement and supply-chain orders, equipment logs, daily progress reports, and punch lists. Technology training and workforce development to build the capabilities of project managers and sponsors. Development of guidance to assist States in updating regulations of the State to allow project sponsors and contractors to report data relating to the project in digital formats. Reduction in the environmental footprint of construction projects using advanced digital construction management systems resulting in elimination of congestion. Enhanced worker and pedestrian safety resulting from increased transparency.</p>	<p>State DOTs, including the District of Columbia and the Commonwealth of Puerto Rico, State DOTs in partnership with other State DOTs, LPAs, Tribes or Private Industry</p>	<p>Activities that promote, implement, deploy, demonstrate, showcase, support, and document the application of advanced digital construction management systems, practices, performance, and benefits.</p>

City of Yuma

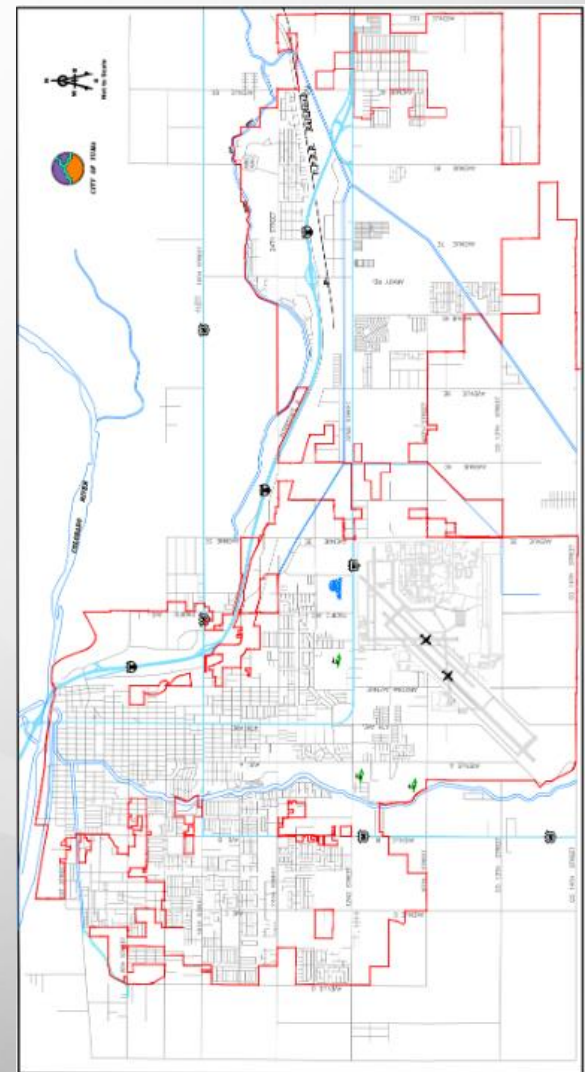

Project: City of Yuma Comprehensive Safety Action Plan

AZ SMART
Request:

\$90,000
for Match

AZ SMART Request will fund Match:

- Comprehensive Safety Action Plan
- Project will:
 - Create safer, more equitable, resilient transportation system
 - Decrease current critical safety issues in the city
- Applicant intends to be a direct recipient if allowed under the NOFO.
- Applicant has applied for the 2023 SS4A Grant

ADOT

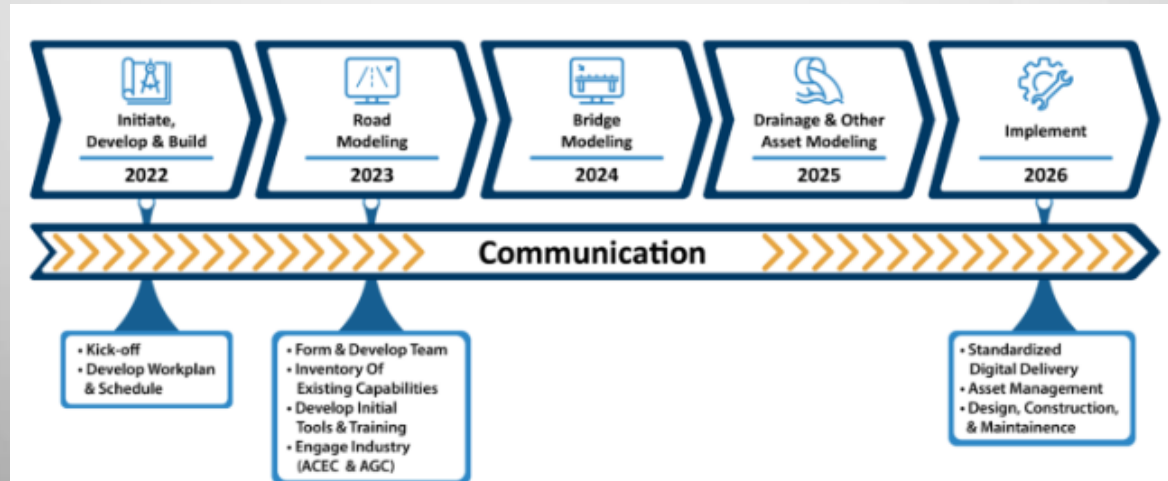

Project: Digital Delivery Construction Management

- Software evaluation and implementation
- Board approved AZ SMART in 2023 but ADOT did not receive federal grant
- Current request is for 2024 grant round

- Project will:
 - streamline construction management processes
 - establish guidelines and procedures
 - Anticipated to be implemented by calendar year 2026 if awarded the grant

AZ SMART Request:

\$400,000 for Match

Application Summary

AZ SMART Grant Applications May 01, 2024 Priority Planning Advisory Committee May 17, 2024 State Transportation Board		
Description	City of Yuma	ADOT
Application Summary
