## **ADOT SR 287/SR 87 Corridor Profile Study – Tribal Coordination**

- This ADOT MPD project is scheduled for completion in August 2025. A Gila River Indian Community focused coordination meeting was held on June 12th.
- Gila River Indian Community comments received during the June 12 coordination meeting focused on traffic safety and increased cross through traffic not only on SR 287 and SR 87 but also SR 587 as well as tribal routes.
- GRIC DOT specific areas of concern include: Intersection improvements at Gilbert Road, Santan Road, and SR 187; Widening SR 87 to 4 lanes from Gilbert Road to SR 187; and Intersection improvements at the SR 87/Hunt Hwy/SR 587 intersection.
- Study Technical Advisory Committee Meeting #5 is planned for late July.
- Study final report is expected during the week of August 25th.

## **ADOT Road Safety Audit Project - US 89 MP 460-480**

- ADOT will be conducting a Road Safety Audit (RSA) for the section of US 89 from Milepost 460 to 480, which runs through the community of Cameron on the Navajo Nation.
- As part of the RSA, representatives from Cameron Chapter, Navajo Nation DOT, Navajo Nation Police Department, and the local schools, will be invited to the project kickoff and debrief meetings.
- The RSA field reviews for the US 89 segment will be conducted in late August or early September of this year.
