FY 27-31 P2P Workshops

P2P is crucial in providing a data-driven approach to investing limited state dollars in appropriate transportation projects.

- ▶ District Workshops have started and will be completed this month.
- ▶ The final P2P list will be completed by early October 2025.

Upcoming Listening Tour

- ▶ Create an **inviting format** to encourage conversations and ensure stakeholders feel heard.
- ▶ Engage ambassadors who can act as **transportation advocates** across the state.
- ▶ Establish a **state vision for transportation** derived from a grassroots process.

Thank you!
